If you have not participated, what would need to change to encourage you to participate? Very fun; try closer shots Experience is wonderful Practice one week before too I've enjoyed the experience; it's nice to know that mistakes can be edited out. I like having to really focus This is a real win/win (I like it too) – re: <u>closer shots</u>, will ask at Apple store; I think this would require (at least) two cameras. If you know someone who would like to help with a camera, let me know. Re <u>Edit capability</u>: Trick is positioning you, in the first place – it's great that you are all getting the hang of dancing in tighter formation.</p>
