Comments About Class

Teaching Quality and Curriculum:

Please comment on teaching pace (too fast? too slow?), whether dances selected were appropriate skill level, quality of teacher's attention to students of varying skill levels in class, and whatever you feel motivated to say about teaching.

Awesome ~ Great ~ Great pace, great teacher ~ Please review more throughout the session ~ You do a great job; thank you so much for this fun class; it was perfect for me! Teaching well done ~ Very good ~ Teaching style is very well suited to the level being taught ~ Too many new dances; not enough time to review dances taught just a few weeks earlier ~ Too many new dances before really learning; too many weeks without doing new dances ~ Great teaching; thanks for being so patient.

Music Selection and Sound System:

Please comment on music selection: Did you like songs selected, volume, quality of sound? Any other comments regarding sound? Any song requests?

Awesome ~ Occasionally too slow & sometimes too loud, but overall very good ~ Great ~ Everything is fine ~ Fine, slow music while teaching is really nice ~ Didn't care for the music to Walkin' Wazi ~ Nice variety of music; it would be great if we could have the short music review of all the dances, that would make practice easy at home. ~ Good ~ Very good ~ Songs are great; sound system is good although gets a bit loud sometimes ~ Love the variety ~ Love the variety
